POTTSTOWN HIGH SCHOOL INTERACT CLUB

Dedication not only to the community, but also to the world is a core belief of the Interact Club. With over 11,000 globally active clubs and 250,000 total members, Interact places an intense focus on tackling issues. Having about 18 members, the Pottstown Interact Club contributes to the Interact movement by getting involved in community functions as well as helping combat global issues.

In the past, Pottstown Interact Club has been involved in numerous community activities. Members have volunteered at Rotary Events such as the talent show, the duck race at Manatawny Park, the Riverfront Park cleanup, winter coat drive, the YMCA month of a Young Child event, and made holiday cards for hospital patients. Future projects for the Interact Club include an international project to bring awareness about human traffick-

ing as well as a community clean up in the spring.

Besides giving members a chance to get involved in their community, Interact Club provides many unique experiences and opportunities for its members. A youth exchange program is available for students to participate in, as well as a study abroad program that is available for high school juniors. Interact gives its members a chance to grow and get more involved globally with issues, expanding their view of present problems and allowing its members to learn more about the world and what they can do to improve it.

Interact Club doesn't just expose the issues in the world, but also the resolutions. High school students get a chance to really get involved and help to make a significant difference that hopefully resonates throughout their lives. 🗑️
