BOYERTOWN AREA PROGRESS DINNER CELEBRATED COMMUNITY GROWTH AND HONORED LOCAL LEADERSHIP

BOYERTOWN, PA — The TriCounty Area Chamber of Commerce (TCACC) proudly hosted the 2026 Boyertown Area Progress Dinner on Thursday, March 26, 2026, at La Massaria at Bella Vista. The evening brought together business leaders, community members, and local organizations to celebrate the continued growth and success of the Boyertown area.

Guests enjoyed an evening of networking and connection beginning with a cocktail hour and cash bar, followed by dinner and a program highlighting the progress taking place throughout the community.

A highlight of the evening was the presentation of the **James K. Boyer Quality of Life Award**, which recognized individuals who have made a meaningful and lasting impact on the Boyertown community. This year’s award was presented to Ellen Martignetti, Main Street Manager for Building a Better Boyertown, in recognition of her dedication, leadership, and commitment to strengthening and revitalizing the Boyertown area.

The program also featured the annual telecommunications showcase video produced by students from Boyertown Area Senior High School. The video highlighted inspiring local stories of growth and progress, including exciting updates from the Boyertown Community Library, continued investment and expansion at the Boyertown Museum of Historic Vehicles
