## The "Art" of Speck's

Culinary art is the creative skill of turning simple ingredients into something special—where chopping, mixing, cooking, and serving come together like a performance. While many restaurants showcase their artistry with elaborate plating, using elegant dishes, sauces, and edible flowers, Speck's offers a different kind of beauty: timeless flavor, fast service, and unbeatable value.

For over 70 years, Speck's has been serving quality food at reasonable prices. Their motto—**Fast, Affordable & Delicious**—is the foundation of everything they do. And in keeping with their down-to-earth approach and environmental values, most meals

are served simply, in paper wraps, boxes, or on classic paper plates.

Though famous for their award-winning fried chicken and coleslaw, Speck's has much more to offer. Customers also rave about their burgers, hot dogs, cheesesteaks, hoagies, salads, daily soups and specials. Whether you dine in or take out, Speck's is a perfect choice for parties, picnics, tailgates, or just a quick bite.

You can order online for pickup or delivery at [Specks.dine.online](http://Specks.dine.online).

Come taste a tradition that's stood the test of time—they'd love to share their "art" with you!
