

# Maillie LLP Moves to New Headquarters in Limerick

The last several months have brought unprecedented change throughout the world. Maillie's 74+ year history has provided the solid foundation that helps us move forward during challenging times. We've been a strong, reliable presence regionally as a leading provider of accounting, tax and consulting services and are proud to announce important changes that are integral to our long-term growth.

In August 2020 we will move to our new headquarters in Limerick, PA. Demand for our services and expertise continues to create employment opportunities for accounting professionals and support staff. With our expanded space we recognize that it's a good time to refresh our logo and celebrate our continued commitment to our clients and the communities we support.

Our look is modern, but our history of serving as your trusted advisor remains unchanged. "Our Mission at Maillie LLP is to provide exceptional client services with pride and integrity. We strive to exceed expectations and are passionate about the success of our clients, business partners and associates."

On August 15, 2020, our current headquarters will relocate to 500 North Lewis Road, Limerick PA 19468. We look forward to continuing to serve our community from our new location.
