## Pottstown Hospital -Tower Health Hires Well Respected Occupational Health Medical Provider

Theresa Cedzo PA-C, MSA, Health Care Administration, DOT Certified Medical Examiner

Theresa Cedzo, PA-C, MSA, has joined the Pottstown Hospital Occupational Health Program. Her 30 years as a comprehensive occupational health medical provider and expertise in occupational health clinic management is an asset to our team. Theresa comes to us from MedCenter 100 (Formerly Brandywine Occupational Health-Tower Health) in Exton. She joins Pottstown Hospital as an Occupational Health Medical Provider and will also lead our ancillary clinic team.

The dedicated team of occupational health providers specialize in providing services for commercial and industrial clients in an outpatient building in the Tri-County Business Campus off Route 100 in Pottstown. They also provide services onsite at workplaces. The professional staff offer a wealth of occupational health expertise to their clients. They provide comprehensive occupational health services such as worker injury care and

case management, employer or industry-based policy physical exams and testing, Police physical exams, OSHA regulatory medical surveillance services, DOT regulatory testing and medical certification exams, employer state and local health concerns, worker wellness, education, and travel medicine.

Pottstown Hospital's Occupational Health Department is located at: Tri County Business Campus, 81 Robinson Street Pottstown PA 19464; 610.326.2300.

**About Pottstown Hospital:** Located in Pottstown, Pa., and a member of Tower Health, Pottstown Hospital is a 232-bed hospital that offers a full range of health services, including inpatient and outpatient, medical and surgical, and diagnostic and emergency care. Pottstown Hospital is accredited by The Joint Commission and has been recognized for its quality outcomes and clinical expertise across many service lines. Its cancer program is nationally recognized. The hospital also is a Primary Stroke Center; Joint Commission-certified for hip and knee replacement; and Heart Failure and Chest Pain certified. Its Emergency Room, which is second busiest in Montgomery County, sees more than 45,000 patients a year. For more information, please visit [www.towerhealth.org](http://www.towerhealth.org).
