Dans at Green Hills

Fine dining has become rare, especially outside of major cities. Monir, the owner of Dans at Green Hills, strives to provide a comparable level of service to that found in New York City, combined with a little small city hospitality. Our goal at Dans at Green Hills is to provide exceptional service with great food. We not only want you to enjoy your meal. We want you to feel at home with us.

While our menu may seem small in comparison to other restaurants, "The difference is in the sauces." That is a

common saying of head chef George Adams, who has over 30 years' experience in the business. All sauces on the menu are made in house, whether it is a simple browned butter, or a labor intensive demi-glace. That really makes a difference you can taste.

We specialize in small weddings, birthdays, anniversaries, and business meetings. If you are interested in setting up a party, or if you are just looking for a pleasant night out, please give us a call at 610-777-9611 to make your reservation.
