

Breadth of Hope

Breadth of Hope, under the visionary leadership of its founder, Lizette Epps, stands as a prominent non-profit consulting firm at the forefront of transformative organizational development within the philanthropic sector. The unwavering commitment to evaluating prospective non-profits and enhancing the effectiveness of existing organizations positions Breadth of Hope as a trusted advisor, adept at navigating the intricate landscape of the non-profit world.

A cornerstone of Breadth of Hope's services involves an assessment process that discerns whether the creation of a new non-profit entity is warranted or if collaboration with existing organizations presents a more opportune path. Through comprehensive analysis and strategic acumen, the firm guides clients in making informed decisions, optimizing resource allocation, and fostering synergistic partnerships where feasible.

For aspiring founders entering into establishing a new non-profit, Breadth of Hope offers an extensive suite of services. Guiding these visionaries through the
