Community Health & Dental Care
Provides Patients with Variety of Services

Community Health & Dental Care in Pottstown, Pennsylvania is dedicated to providing patients with a variety of services. They seek to identify any gaps in health services and strive to deliver access to appropriate levels of care for everyone regardless of their income level.

Community Health and Dental Care offers the Pottstown community and tri-county area services such as family medical services, women's health exams, flu shots, on-site laboratory services, preventive screenings, same-day appointments, behavioral health, substance abuse treatment, childhood immunizations, dental care, pediatric care and more. They even have an on-site case manager and referral assistance available and also offer FREE transportation for ALL of our patients.

Community Health & Dental Care accepts Medicare, Medicaid and most other private and commercial insurers. However, this health center provides discounts for underinsured and uninsured patients who qualify. This discount is based on the patient's income and the federal poverty sliding fee schedule.

Patients can access the NEXTGEN Patient Portal to manage and request their appointments. With this helpful system, people can request routine appointments, ask for medication refills, review medical history, send a note to their provider, view their child's immunization records, cancel appointments, view lab requests, make referral requests and view appointment reminders.

Community Health and Dental Care is also opening a new health center location in Fall of 2017 at the Coventry Mall to serve our community even better!!!
