Ron Black Agency / The Laskey Group – A Local, Independent Insurance Agency

Celebrating 100 years of service to the Tri-County Area and beyond!

Thank you for 100 years! Originally established in 1922 under the name Stubblebine Associates Inc., we continue to provide insurance, financial services, and risk management planning to individuals, families, and the businesses of the Tri-County Area. As an independent insurance agency, our team represents multiple carriers in which to place a client's insurance programs based on the risk classification. The difference with an independent agent is that we work for you, the client, and not the insurance carrier. Our deep relationships with our carriers allow us to underwrite insurance programs designed specifically to fit your needs as opposed to "cookie cutter" types of policies. We will do the legwork to identify potential risks to you and then produce solutions that are tailored for your needs. As time goes on, we will revisit your plan to make certain that it is evolving with the needs of your family or business

and seek out any options that are available.

We take a holistic view of your insurance planning, taking into consideration a multi-generational stance to design plans that provide for the protection needed for your family and/or business. Our personal lines side has access to multiple carriers to insure auto, home, personal articles, and umbrella.

The commercial lines consist of general and professional liability, commercial auto, business-owners policies and workers comp. We also have solutions for life insurance, disability, and long-term care so that we can protect the assets you have accumulated from going towards paying for those long-term expenses. Our group side can manage all

the benefits for your business and employees such as group life, disability, Key Man as well as Buy/Sell agreements should you perpetuate your business to the next generation.

As the leading independent insurance agency in the Spring-Ford area with one hundred years in business and a wealth of knowledge in our team, we remain dedicated to serve our communities. Our focus is to help educate, insure, and protect your assets allowing you to enjoy your life to the fullest. Being an independent insurance advisor and broker since 1922, we believe that having different market options for different risk classifications, we can better serve our community to find sound and proven solutions. Feel free to give us a call, send an email and check out our website and social pages for additional information. **Welcome to better!**
