Bill's Performance and Restoration

Restoration of a car is a daunting task, not one to be undertaken lightly, or by the inexperienced. A full restoration can take many years and can cost tens of thousands of dollars; often, and generally, well in excess of what the finished value of the car will be. Many jobs will have to be farmed out to specialty shops; those with the special knowledge and equipment to do the job. Often a restoration once started is left unfinished and the car and parts can be purchased for a fraction of their worth. However, if a person buys an unfinished project, it is imperative to be sure that all of the parts are there. Finding parts for an orphan or rare car can sometimes be impossible. This necessitates the fabrication of parts from scratch, generally at great effort and expense.

Bill's Performance and Restoration, owned by Bill Hansell, has a solid proven ability that is trusted all over. ASE Certified, using I-Car certified technicians, uses authentic top-quality parts and brand name tools. Services include restorations and rust repair, including Cab Corners and Bed Sides; Install new metal back to original state; Paint match ups; Rocker Panels; Full restorations to all makes and models; and Quality collision repair.

Bill's Performance and Restoration, located at 1136 Ridge Road, Pottstown, PA 19465 is licensed and insured. For additional information, please call 610.314.8586 or email: billhansell@yahoo.com, and visit www.BillsPerformanceandRestoration.com.
