Physicians Care Surgical Hospital (PCSH) reflects both who we are and what we do. Founded by a dedicated group of local physicians, PCSH was created with a vision to deliver a better surgical experience for patients. Since opening our doors in October 2010, our mission has remained clear: to provide specialized surgical care in a high-quality, patient-focused environment that is both comforting and accommodating.

Designed from the ground up with patient experience at the forefront, PCSH continues to set the standard for excellence in surgical care. Our commitment to quality is demonstrated through our conformance to the Quality Management Standard ISO 9001:2015, reflecting a structured and continuous approach to improving patient outcomes, safety, and operational efficiency.

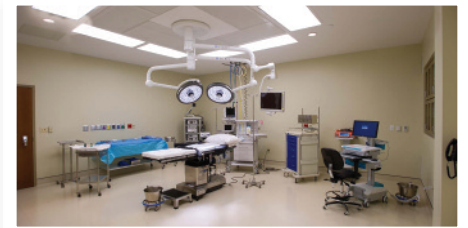

PCSH has been consistently recognized for excellence in patient care by Healthgrades®. Building on this legacy, PCSH has earned several prestigious recognitions, including:

- Healthgrades Patient Safety Excellence Award™ (2026)
- Five-Star Recipient for Outpatient Total Knee Replacement (2025–2026)
- Five-Star Recipient for Total Knee Replacement (2024–2026)
- Outpatient Joint Replacement Excellence Award™ (2025–2026)

Our mission is to serve every patient by understanding their unique needs and expectations. This patient-centered approach allows us to provide a safe high-quality environment for both surgery and recovery.

Featuring 12 private inpatient rooms designed for comfort and recovery.

State-of-the-art surgical suites providing a safe, high-quality environment for orthopedic and general surgery.

The central nursing station serves as the heart of our collaborative care model, supporting their award-winning staff.

Physicians Care Surgical Hospital is committed to elevating the quality of healthcare in our community. We actively advocate for our patients, operate with fiscal responsibility, and invest in initiatives that promote the well-being of both our patients and the broader community we serve.

PCSH offers a range of specialized services, including Orthopedic Surgery — with advanced robotic-assisted knee replacement — General Surgery, Gynecology, Ophthalmology, and Otolaryngology (ENT).

Our facility features five fully equipped operating rooms and 12 inpatient rooms designed for overnight stays. PCSH is CMS-certified and fully accredited by DNV (Det Norske Veritas), and all physicians are board-certified. We also provide ample free parking for the convenience of our patients and visitors.

At PCSH, teamwork is central to our approach to patient care. We value the contributions of every staff member and recognize that exceptional outcomes are achieved through collaboration. We are committed to treating each patient with dignity and respect, fostering a comfortable, and compassionate environment.

In support of clinical excellence and a culture of recognition, PCSH proudly participates in the **DAISY Foundation® program**, honoring nurses who demonstrate extraordinary compassion and skill in patient care. In addition, PCSH recognizes the vital role of interdisciplinary teamwork through the **BEE Award (Being Exceptional Every Day)**, which celebrates ancillary and support staff who make a meaningful impact on the patient experience and support nursing excellence.
