

BAILEY'S SEPTIC SERVICES & PORTABLE TOILET RENTALS

*A Legacy of Service,
A Future of Innovation*

For nearly a century, Bailey's Septic Services & Portable Toilet Rentals have stood as a pillar of reliability, hard work, and family tradition in the Greater Reading area. With over 90 years of continuous service and five generations of hands-on leadership, the Bailey name has become synonymous with exceptional care and trustworthy sanitation solutions.

Built on a Legacy of Grit and Service

The story begins in 1935, in the midst of the Great Depression. Morris Bailey, driven by determination and a simple mission to help his neighbors, launched a small outhouse cleaning and well-drilling service. Even in hard times, people needed clean drinking water—and a place to put waste. Morris stepped up, providing both with a commitment to reliability and community care.

As the business grew, so did the Bailey family's involvement. Morris's son, John Bailey, joined and eventually took over the company. After John's passing in 1969, the reins passed to Les Bailey, the third generation, who had been helping out since he was 16. Under Les's leadership, the company expanded its services and footprint in the region.

A Modern Era with Traditional Values

In 1996, Les's son, Todd Bailey, joined the business and brought a fresh chapter of growth. Seeing an opportunity to serve the growing need for event and construction sanitation,

Todd founded the portable toilet division. Balancing daily pumping and scheduling with big-picture growth, Todd helped lead Bailey's into a new era—while keeping the same values that built the company.

Now in 2025, Zachary Bailey represents the fifth generation to proudly step into leadership. With deep respect for the company's roots, Zachary brings innovation, modern technologies, and fresh energy to the field—all while learning from Todd, who remains deeply involved in daily operations and customer service.

Service You Can Trust

Bailey's offers a full suite of professional sanitation services, including:

- **Septic Tank Cleaning**
- **Grease Trap Cleaning**
- **Septic Inspections**
- **Minor System Repairs**
- **Portable Restroom Rentals**

Whether it's for a residential home, commercial property, community event, or construction site, Bailey's provides timely, respectful, and thorough service every time.

Family-Owned, Community-Focused

Today, Bailey's operates with a dedicated team of a dozen employees—many of whom are like family themselves. The company remains small enough for the Baileys to stay personally involved, yet large enough to handle major service needs throughout Berks County and surrounding areas.

The Baileys take pride in their long-standing relationships with customers, contractors, and municipalities. They're proud members of the *Pennsylvania Septage Management Association* and the *Greater Reading Chamber Alliance*, staying active in industry standards and local initiatives.
