A Gift That Will Last a Lifetime ... Dance Classes from Pottstown Dance Theatre!

Studies show that regular dancing can help improve mental focus and memory, mood, self-confidence, cardiovascular health, strength and endurance, balance and coordination, flexibility and longevity.

Pottstown Dance Theater, located at 72 W. Main Street, offers a wide range of dance instruction to get you and your loved ones healthy in 2019!

The school offers classes in Ballet and Pointe, Tap, Modern, Jazz, African, Hip-Hop, Creative Movement, Irish, Break Dance, Highland, Musical Theater, and Pilates. There's something for everyone!

The new session begins February 4th, 2019.

Introductory Dance:

Students focus on imagination, musicality, enhanced motor skills, flexibility, and classroom etiquette.

In Pre-Ballet, Ballet 2, and Introduction to Tap and Jazz, stronger fundamentals of these techniques are presented while still allowing students to thoroughly enjoy the learning process through various games and imaginative exploration.

Intensive Program:

The Intensive Program is set up as a minimum of two ballet classes weekly (preferably three), and another dance genre of the student's choice.

Academy Program:

The Academy Program is set up for semi-private classes two days a week; studying

ballet, modern dance, some jazz, Pilates, visual art as it relates to dance, choreography, dance history, theater costuming and techniques, and anatomy.

Classic Joy of Movement:

The Pottstown Dance Theatre is different from many other local schools in that they try to create and encourage students to be artists in their own right. True artists focus on the creative process and know that training is a lifelong process; therefore we do not place a heavy emphasis on an end of year recital and our teaching curriculum spans the entire school year.

Every student, regardless of long term goals, is encouraged to master skills they learn in order to appreciate self-discipline, determination, and the confidence that comes from setting and achieving goals. They have positively affected students' lives for over fifty years.

For more information please call 610.323.2569 or visit the school website at www.pottstowndance.com.

Holiday Ideas

**Barbara McInnis Hayman,
Decorating Den Interiors**

At Decorating Den Interiors, we love to help our clients create a festive atmosphere in their home or office. Here, we offer some suggestions to help you create that warm and cozy holiday glow!

Your foyer/entry way sets the stage for visitors to your space. It is where a great first impression can be made. So why not consider dressing up your front door with a beautiful holiday wreath? From natural evergreen to beautiful dried flowers mixed with silk greenery, a wreath is a great way to set the stage for your holiday décor and create an inviting welcome to guests. A well-lit entry is also a must. To achieve this, use a mirror to brighten these areas. A well selected area rug will also help add a much needed touch of warmth.

As guests or friends settle into your space, they will most likely gravitate toward your living or family room. The centerpiece of either room is typically a

brightly bedazzled holiday tree. If your room features a fireplace, most likely you have the added feature of a mantle as another focal point. Candles, pine cones, garlands and holiday stockings all add the right festive touch to your fireplace mantle. You may need to rearrange furniture to accommodate a large Christmas Tree, but be sure to keep your furniture pieces in a comfortable and conversational grouping.

If you have house guests, think of other ways to make their visit with you extra special. Beautify the guest room with just a touch of Holiday magic. Create that special welcoming touch using holiday-inspired accent pillows on the bed, or drape a holiday throw over a chair.

Above all, be sure to include your personality into everything you do. Preparing your space to welcome guests is a lot of fun! And also, a great excuse to complete that long-overdue decorating project! Call us at 484.369.8557 to schedule a complimentary consultation and hear how we can help you make some holiday decorating magic!

The Benefits of Owning Real Jewelry

By **Bonnie Picone,**
Store Manager, Van Scoy Jewelers

The benefits of owning real jewelry are many. Composed of genuine gems and valuable metals like gold, silver or platinum and designed by master crafters, real jewelry literally lasts forever, if cared for properly and, becomes a part of the legacy that we leave our loved ones. Customers have told me that they purchase only real jewelry to mark special occasions, such as birthdays or anniversaries or for a graduation or wedding gift because its durability ensures that it will forever remain a tangible reminder of that special day in their lives.

For many customers, buying real jewelry at a local establishment is the only way to purchase an important piece. They can see it, try it on, and learn about it from educated and helpful staff. An educated customer

buys with confidence. In addition, they prefer a store with ties to the community and an expert jeweler on the staff for sizing, remounting and repairs. They prefer to deal with someone they can trust with their valuable items. In a sense, they're looking for an old-fashioned jewelry store with old-fashioned values of trust, service, and quality.

This is not to say that we discourage the purchase of costume jewelry. Low-cost items have a place in your wardrobe, even if they cannot be repaired. You may want an inexpensive piece for travel or as a starter piece of jewelry when you're young or you may want to match a one-time item like a bridesmaid's gown. Our advice is to buy it, enjoy it, but don't invest in it.

Only real jewelry feels like the real thing!

The Twin Turrets Inn

The Twin Turrets Inn Bed and Breakfast, located at 11 East Philadelphia Avenue in Boyertown, is owned and operated by four-term Boyertown Mayor Marianne Deery and her husband Frank, President of Boyertown's Borough Council.

There is a lot to do in Boyertown. "All Aboard" The Little Red Caboose for an exciting excursion on the Colebrookdale Secret Valley Railroad. Or you can catch a baseball game at the famous Bear Stadium. Our park hosts a rambling walking trail, Frisbee golf and a playground for all children. Boyertown is rich in history so a visit to Boyertown's Museum of Historic Vehicles and Boyertown's Historical society is a must. Boyertown's century old State Theater provides live entertainment.

"Bear Fever" is contagious and it begins with historic "Townie Bear" and "Bubbles" located at the entrance to Twin Turrets. There are many other bears as you enjoy your walk along Boyertown's tree-lined streets and see our beautiful architecture, unique shops, restaurants, bakeries and even a microbrewery. Our artistic community is awesome and Taylor Backes Glassblowing Studio is universally recognized.

With so much to do you should really spend an evening or two at The Twin Turrets Inn; you will be glad you did. All of the rooms are tastefully appointed, bathrobes provided for your private bath. All guests will enjoy a fully cooked breakfast, which is served at your convenience. Complimentary usage of a secured wireless network is available.

Studio 36 Bead Shop & Artisans Gallery

Studio 36 Bead Shop & Artisans Gallery opened its doors on October 13th at 105 E. High Street in Pottstown. We are a full-service bead shop offering a magnificent selection of unique Czech glass, semi-precious stones, Delica, seed and specialty shape beads. In addition to beads, we have a nice array of tools & gadgets, wire, hand-painted lucite flowers, silks & fibers, artisan components, lamp-work and kits for you to create your own little works-of-art. Whether you are a beginner or have advanced skills, no doubt you will find something to help spark your creativity.

We look forward to welcoming you to our shop. Our motto is "Enter as strangers, leave as friends." We are very excited to have our shop in downtown Pottstown, as the revitalization continues. We moved to Pottstown in 1994 and have always loved the charm of the downtown area. Our business started small. Just over 20 years ago I picked up my first bead and was quickly addicted. The colors, the shapes, the sizes, oh my! I was in love.

My hobby quickly turned into my passion. After years of creating it was time to depart the corporate world and begin pursuing my own dreams. The small studio in our home was now taking me on the road to sell beading supplies at conventions. It didn't take my husband long (actually all but a few days) to encourage me to open a shop. It has been a life-long dream of mine, and I never thought this day would actually come. As I adamantly said no, he adamantly said yes. Well, I am grateful for his persistence.

Studio 36 will be offering classes from beginner to advance in all types of mediums as well as classes for scouts, Birthday parties and any other reason you can think of to celebrate. We are currently open seven days a week. In addition to a full line of beading supplies, we have a beautiful line of jewelry available for purchase. Come in and check us out. We have a great space creativity. Our phone number is 610.310.5568. You can follow us on Instagram at Lisa_Applegate. We look forward to seeing you soon!
