“Being on the cover of the Route 422 Business Advisor has been a fantastic marketing opportunity for us! We have made some significant changes to our office, and we wanted fellow business owners and the rest of the community to know about our growing business. We have received numerous calls, emails, and texts from friends, family, patients and business acquaintances congratulating us on how much they enjoyed and appreciated the cover story! We are extremely pleased with the pictures and articles, and we look forward to our ongoing advertising with the Route 422 Business Advisor!”
