

PMA Medical Specialists Marks 50th Birthday

2019 marks the 50th birthday of PMA Medical Specialists, a multi-specialty physician practice serving thousands of patients in Montgomery, Chester and Delaware Counties. The physician's network recently organized a Cocktail Party and Silent Auction FUNdraiser raising \$20,000 benefitting the local Salvation Army at the Sunnybrook Ballroom in Pottstown. PMA Medical Specialists in conjunction with PMA CARES (Community Action by Responsible Employees) chose the Salvation Army in an effort to give back directly, to the community which they serve.

State Representative Joe Ciresi presented Joel Eisner, MD (PMA's founding physician) with a citation honoring Dr. Eisner's notable achievements including:

- Single-handedly modernized Phoenixville Hospital by organizing Emergency Room and Inpatient Care and introduced the new concepts of Intensive and Coronary Care units.
- Founding of Clinical Care Associates with the University Of Pennsylvania

School Of Medicine, serving as Vice Dean of Education.

- Helped negotiate the sale of Phoenixville Hospital to the University of Pennsylvania in the 1990s with the offshoot formation of the Phoenixville Community Health Care Foundation.

- In the 1980s, he and others founded one of the area's first HMOs, Freedom Health Care.

Dr. Eisner has been in medical practice

for six decades, yet maintains a full schedule including weekend and Emergency Call. He continues to practice at a level which leaves younger practitioners awestruck. Dr. Eisner continues to guide PMA Medical Specialists and is joined in this effort by a leadership team of physicians and providers focused on continually enhancing patient care and advancing the principles of continuous, coordinated care.
