WHAT IS A FUNERAL TRUST?

(Continued from page 49)

DO I HAVE TO PLAN MY FUNERAL NOW?

It's simple. A life insurance policy is purchased to cover the anticipated costs of your funeral. The policy is then assigned to an irrevocable funeral trust. This assignment offers two advantages:

1. At the time of death, policy proceeds do not have to go through probate and are available immediately to pay your final expenses usually in 3-5 days. Unlike life insurance which takes 30-60 days
2. The policy may not be considered an asset if you are determining Medicaid eligibility. This combination of life insurance and a funeral trust creates a solid, safe, and secure plan to cover your final expenses at any funeral home & cemetery.

WHY USE A TRUST?

The Funeral Expense Trust is FREE and designed exclusively to help you take care of your funeral costs and possibly help you qualify for Medicaid at the same time! Few people have the resources to pay for a funeral outright and many funeral homes require payment in advance of services. This means that without advance planning and fund-

ing, your survivors may need to use their personal savings or credit cards, possibly take out a loan or sell personal assets. Money set aside in your personal savings accounts may be tied up with probate delays.

If you haven't pre-planned already don't delay. Do it today, and this is the best way!
