Stewart Abstract of Berks County, Inc.

Insuring Your Investment. Securing Your Dream

Stewart Abstract is a full-service Title

Insurance Agency specializing in real estate settlements, title searches and title insurance serving Berks and

surrounding counties since 1988. Stewart Abstract represents three of the largest title insurers in the country.

When you purchase property, it's important that your title, your proof of ownership, not be subject to claims associated with the actions of previous owners. Title insurance protects a policyholder against loss from an occurrence that already has happened. Since 1988, Stewart Abstract has provided Berks County with the best in customer service to ensure that real estate transactions close in a friendly, efficient, and professional manner. Our prosperity and continued growth can be attributed to our attention to what has made us successful: our satisfied customers. Our staff of committed professionals is focused on giving our clients a competitive edge in their marketplace. Let us put our experience to work for you!

Purchasing a home may be the single greatest investment a person will ever make in their lifetime. As a full-service title agency, we provide a wide array of high-quality title products and services for buyers, sellers, lenders, realtors, builder/developers and attorneys involved with real estate transactions. We will also handle the settlement, escrow, and disbursement of funds, as well as the recording of all legal documents. In any real estate transaction, there are numerous details to consider and potential problems can arise.

Our staff will take care to locate the issues before your scheduled settlement and handle them in a way that will, in most cases, allow your settlement to proceed without delay. Insurance policies, written by title insurance companies, provide protection against

challenges to the title of a property. Title Insurance premiums are paid in one lump sum at settlement; the policy is issued, and the policy covers the owner(s) or their heirs until the property is sold.

Van Scoy Jewelers - 2733 Papermill Road, Wyomissing PA

Van Scoy Jewelers Launches Double Diamond IPA to Benefit Military Veterans

Join Van Scoy Jewelers as it celebrates the launch of its Double Diamond IPA at "Kicking the Keg for Veterans" on Friday, June 7th at 4 p.m. at Canal Street Pub. The beer will be on tap through Father's Day on June 16th. All of the proceeds of the Double Diamond IPA sales will go to "Veterans Making a Difference," a local non-profit organization helping veterans in Berks County.

"My father was a veteran and we have always offered special discounts and free batteries to veterans, so a partnership with "Veterans Making a Difference" felt right," said Caroline Hill, owner and operator of Van Scoy Jewelers. "We've been in business for 40 years and the launch of the Double Diamond IPA will introduce us to a whole new audience and helps us give back to those who helped us get this far."

The decision for Van Scoy Jewelers to have its own beer comes from the recent rise in the popularity of craft beers and breweries. According to The Brewers Association, who represents small and independent American craft brewers, craft retail dollar value was estimated at \$27.6

billion, a seven percent growth over 2017. The production of the Double Diamond IPA was possible thanks to the Sly Fox Brewing Company located in Pottstown PA.

Liz Graybill, founder of "Veterans Making a Difference," is excited by the partnership with Van Scoy Jewelers. She said, "This the first time there has been an event like this to raise funds on this scale. Donations are important to our organization as we run the Paul R Gordon Veteran Social Center. If a veteran needs anything, we help them in any way we

can, and if we can't, we refer them to other organizations."

Van Scoy Jewelers opened in 1978 and has been named a Top 50 Business in Berks County for the past three years by the Greater Reading Chamber of Commerce. It also received a Lifetime Achievement Award for being voted Best Jeweler in Berks for more than 10 years. Exciting new plans for expansion in 2020 include moving to a new location in Wyomissing. RN Therapeutics *Where Medicine Meets Massage*

What happens when you combine a nurse, a massage therapist and a personal trainer and fitness instructor with over 15 years of experience? Meet Karen Stork, the owner and principal therapist at RN Therapeutics. RN Therapeutics is a unique practice that has been in business at 693 Reading Avenue in West Reading for 15 years, offering a full spectrum of wellness, fitness and rehabilitation needs. No other business in Berks County can match the background and experience that Karen has to evaluate a problem, treat with an hour of hands on therapy, and provide a customized program to relieve the problem that is adjusted to each individual's lifestyle and ability.

Karen Stork is a Registered Nurse, Licensed and Board-Certified Massage Therapist, Nationally Certified Medical

Massage Therapist, Certified Posture Specialist, Certified Lymphedema Therapist, Certified Kinesio Taping Practitioner and Personal Trainer with over 12 fitness certifications. Massage for stress reduction, anxiety, insomnia and the chronic overuse from posture and repetitive movements we all encounter in our daily lives are provided at RN Therapeutics. Many local physicians, physical therapists, chiropractors, nurse practitioners and other health care professionals refer patients to RN Therapeutics on a regular basis. Individuals with Worker's Compensation and automobile injuries are covered by insurance at RN Therapeutics — a prescription from a treating physician is all that is needed for treatment. If you need a referral to a physician, physical therapist or chiropractor, we can provide those referrals as well. Available for sale are products such as CBD cream for pain, Biofreeze, Sombra warming and cooling lotion, foam rollers, therapeutic pillows, and Thera-Band exercise products including resistance bands and tubing for easy transition to a home exercise or gym program.

At RN Therapeutics, the goal is to empower clients with education and motivation, so the results gained in therapy can be incorporated into a person's daily life. Their specialty is a combination of myofascial release, massage, neuromuscular therapy, stretching, strengthening, mobilizing and postural re-education to not only eliminate pain but to educate and empower everyone to be able to manage their own particular issues—whether it be structural, soft tissue, muscle imbalance, physical deconditioning or chronic pain. This goal is reflected in their Mission Statement, "To educate, motivate and provide treatment for those seeking to change and improve their lives through wellness, rehabilitation, posture, movement, stress reduction, muscle balance and pain relief." Shearer Technical Computer Consultants *Location Location Location!*

By Mark Shearer, Shearer Technical

When people ask me why I made the decision to relocate Shearer Technical to West Reading over 17 years ago, I think back to a time when the possibility of growing my business alongside many others who share the same vision was an obvious choice to make... and then the move took place.

The West Reading Mainstreet Project was already underway and held great promise for an entrepreneur like me! Our customers, new and old, quickly appreciated the sense of community they felt when stopping in at our west end business in the 700 block of Penn Avenue.

Our visibility increased with the wide variety of events taking place right in our own neighborhood, and with that we began to experience

walk-ins interested in what services we offered, and the business really took off from there!

Shearer Technical has proudly served over 2500 individuals and businesses since its inception. We specialize in one-on-one software training, new computer sales, and PC repairs for any client or business large or small.

Finally, choosing to live above the business has proven to be convenient, a very short commute you might say! Brings me back to the famous saying... location location location. West Reading, a smart choice for sure.
