BUSINESS PROFILE

The Loomis Company

The Loomis Company is a third-generation owned insurance agency founded in 1955. It started as a family-owned business and has grown to a national company with a focus on service, expertise and technology. We offer a full spectrum of insurance services protecting what you value most: your people, your assets and your future. Our Commercial Property and Casualty Division combines extensive experience in the insurance industry with diverse skills in liability, property, workers compensation, professional liability, cyber liability, and more. Other divisions include our marine, aviation, health and employee benefits.

Our Account Executives have experience in creating, administering and underwriting your business. Our experienced Account Managers, Loss Control Technicians and Claims Managers come together to provide a complete Risk Management plan for any size group.

Are you prepared for a cyber attack?

Many companies have employees working from home during the COVID-19 pandemic. This is causing an increase in cyber hacking activity. Make sure your employees are protected before it's too late.
