

Gary's Carpet Flooring Depot

Pottstown-based Gary's Carpet and Flooring Depot has been serving customers throughout the region for 28 years. Their success is based on their excellent relationships with suppliers and their helpful, knowledgeable staff, including In-house design consultants.

"We treat our customers like friends and family because they are our neighbors," said owner Chris Wanner. "We have been a fixture in the community for more than a quarter-century, partnering with charities including Habitat for Humanity to give something back. We set out to earn our customers business every single day by offering the best customer service in the industry, because that's how we all want to be treated when spending our hard-earned money."

Gary's Carpet and Flooring Depot offers the highest quality products, including carpet, hardwood, laminate, tile, luxury vinyl, waterproof vinyl, natural stone, glass tile, metal tile, and area rugs from established vendors such as Armstrong, COREtec, Marazzi Tile, American Olean, Daltile, Shaw Floors, Mohawk Flooring, Dreamweaver, Chesapeake, and more!

"We not only offer quality products from top names in the flooring industry, but we also only use the best installers in

the area with more than ten years' experience," Wanner said. "We also offer a low-price guarantee. If anybody beats our price for the same products and services, we'll match that price or pay \$50.00."
