

FOCUS ON HEALTHY AGING & SKILLED NURSING

Wyomissing Rehabilitation and Nursing Center

Founded in 2016, Wyomissing Rehabilitation and Nursing Center is a 103-bed facility located in Reading, Pennsylvania in close proximity to all local hospitals. Our large, warm and well-lit setting deliver the best diagnostic and rehabilitative care in multiple specialized disciplines with the goal of returning patients home as soon as possible. The needs of the long-term resident are respected with dignity and compassion, as our caregivers provide nurturing round-the-clock care. Our all-encompassing continuum of care includes a dedicated focus on every patient's physical, social and emotional well-being. Family members are always welcome and are encouraged to play a vital role in their loved one's care.

Through the years, Wyomissing Rehabilitation and Nursing Center has continued to grow to meet community needs, and today offers a full continuum of care, from temporary respite stays, to short-term rehabilitation, to long-term skilled nursing care, as well as a broad array of specialty programs and services.

Moreover, our convenient location provides immediate access to hospital specialists in virtually every area of medicine.

We make it a priority to keep residents engaged, interested, and active to the fullest extent possible. Short-term and long-term residents alike enjoy a full complement of social and recreational activities designed to keep hands nimble, bodies moving, minds active and spirits up. These include: Exercise and fitness activities. Professional entertainment, Community trips and Pet visits.

TESTIMONIAL:

“To all the CNA's, nurses, social workers and flat-out everyone at Wyomissing Rehabilitation and Nursing Center, I want to openly give my thanks in helping me regain my functionality and normal abilities that most common individuals take for granted. Please, know it is not only me, but also my family whom thanks you for all of your work. I can only hope that other residents equally feel as I do in regards of appreciating all of you. Once again, thank you and may god bless you.” — Lillian S.
