The new guestroom design is impactful, unique and addresses the functional needs of the Fairfield guest for a seamless experience. The room was designed with the modern traveler's needs to stay productive on the road in mind without overcomplicating the guestroom. Each room features a modern lounge chair, serving as both functional and comfortable to either work or relax in. The artwork in the room takes center stage with the window treatment acting as a focal point, displaying photography taken at the Fairfield Farm. The material is sheer and allows light to pass through the photography, warming up the room and creating a comfortable environment. Each guestroom also features a work desk, refrigerator, coffeemaker, and microwave.

Additional hotel amenities include an outdoor swimming pool, 24/7 modern fitness center, and an outdoor patio with a firepit. The hotel also has a business center, complimentary Wi-Fi, and a meeting room with 650 sq ft of event space, that can accommodate up to 40 guests.
