PAGE 3 PROFILE

Bon Homie Adult Day Care Bon Homie highlights their volunteers...

We have had the fortunate opportunity to be on the receiving side of some wonderful volunteers' efforts by individuals and groups in our community.

For the third time in the last three years Morningstar Fellowship came out to support our efforts during their

volunteer week called "love week". Love Week is their church blessing our communities with no strings attached – not expecting anything in return. They have no agenda except that they want to do community service projects and bless those, who daily, bless others. All of their service projects are for non-profit organizations, or individuals, that have a need. They will paint, clean, landscape, dig... whatever is needed. Each time they have come to help us with our facility grounds. They've cleaned out flower beds, planted shrubs, and applied mulch, preparing an area where our clients can garden, and painted our main activity room. We are so appreciative of the hours that

the Morning Star volunteers have supported our center. We've had a great experience working alongside them during Love Week.

One of our favorite events celebrated in September during Adult Day Care Week is the Bon Homie Olympics. Last year a group of employees from Exelon

came out and volunteered to help run this activity. We are thrilled to report they will be out again this year. The Exelon volunteers arrived early the day of the Olympics to set up. Once the Olympics got underway, the volunteers ran each activity, assisted the individuals in participating and transported them in and out the facility. All the clients enjoyed spending the day socializing

with the volunteers, and the day ran smoothly with their extra help. Some of the events the individuals competed in included discus throw, basketball, corn hole, and wheelchair races.

At Christmas time we usually have a group that comes in and spends time with our clients. A group from Vanguard came out in December 2017 to help with our yearly Christmas store. Some of the volunteers spent time in the store helping our

clients pick out

presents for their loved ones, while

other volunteers worked with our

clients on decorating canvas bags for

the holidays. In 2016 employees from

Traffic Planning and Design Inc. came to

our center through a volunteer

program they were sponsoring called

"12 Days of Christmas". TPD is a

transportation engineering firm in Pottstown that

serves the public and private sector throughout the

Mid-Atlantic region. The volunteers worked with

clients throughout the morning decorating and

personalizing stockings.

Heartfelt Thanks to our Volunteers!!!

Lastly, we have very special people who volunteer weekly or several times of year at our program. Our volunteers are great and help with activities, paperwork, prep work for activities, and most importantly spend time with our individuals who attend our program. It is noticed when these individuals can't come into the center, and we are very appreciative of the support they offer us when they are here.

Bon Homie Adult Day Care is located 470 North Lewis Road in Limerick. For additional information please call 610.792.8800 and visit: www.bonhomieadc.com.
